

# Writing a Winning Grant or Award Application

---

## I. General Award or Grant Guidelines

- A. A good application is one that uses *descriptive language* that details the project/program rather than giving conclusions. For example, instead of saying “parent night was a success,” descriptive language tells why it was a success, i.e., “One hundred parents attended parents' night, whereas in the past no more than 50 parents have ever attended. As a result, we have 20 new PTA members.”
- B. Descriptive language also avoids just making lists such as, “Our PTA held a health fair, a spaghetti night, and a parents' night.” Instead it informs the reader what the PTA accomplished and why: “We held a health fair in our community because the majority of children and adults have not had hearing or eye tests. Three hundred (300) children and adults were tested, and 35 were found to need follow-up. PTA is now working with the hospital association to provide that follow up for those who cannot afford it.”
- C. Space is limited, so choose your words carefully.
- D. Award and grant applications should address local activities supported or sponsored by the PTA and not the activities of the school staff (unless it is a joint grant application).

## II. Grants

### A. Huntsville Council of PTAs – huntsvillepta.org

1. **Amount:** \$500
2. **Deadline:** October 1 (fall grants); March 1 (spring grants)
3. **Eligibility:** For the fall grants, elementary, middle, and high school PTA/PTSAs are eligible to receive funding. For the spring grants, only elementary and middle school PTA/PTSAs are eligible to receive funding. High school PTA/PTSAs are not eligible to receive the spring grants because the Huntsville Council of PTAs offers \$7,000 of scholarships to high school students during the same time frame.
4. **Criteria:** The grant requests will be judged by an impartial Grants Committee using the following criteria:
  - i. The funds must be used to support the entire school population and not a specific group, section, or grade level.
  - ii. The project for which the funds are requested must promote one or more of the six national standards.
  - iii. Those who have not received recent grant funding from the Huntsville Council of PTAs will be given a degree of preference in the grant determinations.
  - iv. PTA must be in good standing with Alabama PTA and with the Huntsville Council of PTAs.
  - v. Grant funds will not be awarded for a project or program for which grant funds have been awarded within the past two years.
  - vi. Recipients will be expected to implement the program within one year and report back to the Council in writing on the implementation of their program. Failure to submit a timely grant report will make a PTA ineligible for additional grant funding until the report has been submitted.
5. **Is financial need a factor in making grant awards?** No
