Sheldon Has to Go to School

**DETAILS** Include word count for literature. Describe technology/platforms used in the creation process, including any generative elements. \*

Word Count: 96; I used colored pencils and crayons

Artist Statement (REQUIRED) In 10 to 100 words, describe your work and how it relates to the theme. (Please DO NOT exceed 100 words.) \*

I wrote a story about a crab named Sheldon. At the end he realizes that colors don't matter. It is about the friends you make.

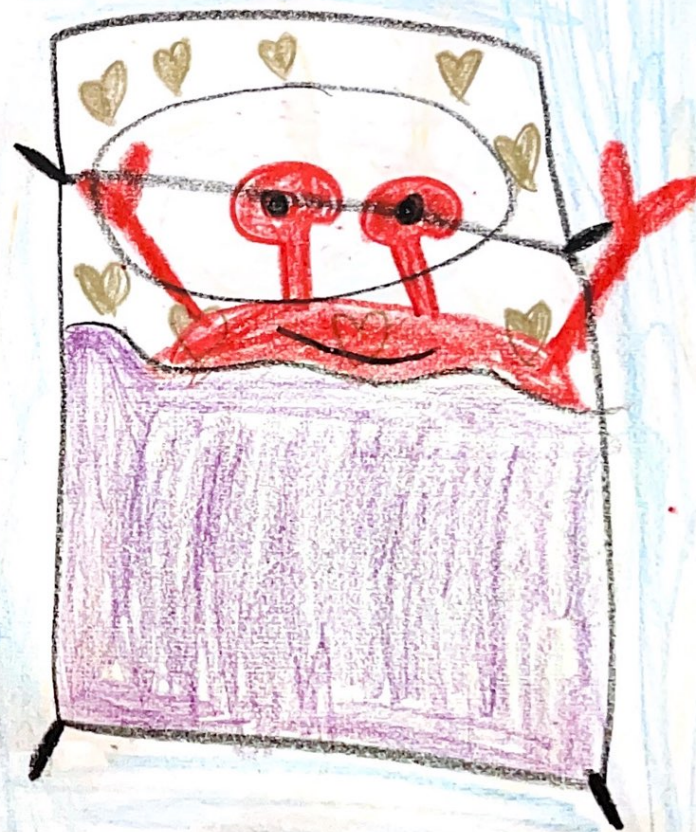

Sheldon has to go to school.

Beginning

Sheldon wakes up for  
School.

Sheldon eats breakfast.

Sheldon gets his backpack.

Sheldon walks to school.

Sheldon sees a pink crab named Felicia.

Sheldon gets jealous.

"She is so pretty" said  
Sheldon.

Sheldon went to bed  
that night.

Sheldon had a plan in  
the morning.

"I am sorry that I was  
jealous of you."  
color said Sheldon.

"Now I know it isn't  
important to be a  
different color. It is  
important to be a  
friend." said Sheldon.

"Red and pink are  
both my favorite  
colors!" said Felicia.
